The 2010 Wings of Remembrance Spring Fly-In Pancake Breakfast is planned for April 17th, 2010 at the Newton City/County Airport located just outside Newton, Kansas. The pancake breakfast, presented by Wings of Remembrance and hosted by the Newton City/County Airport, is dedicated to remembering the sacrifices of those men and women who have defended this country as well as honoring the courage and commitment of those who defend us today.

The cost is a requested donation of \$5.00 for all the pancakes you can poke down your throat with a stick, but we'll provide a fork. Rain or shine the pancakes will be ready starting at 7:30 AM and will be served until 10:30 AM. Coffee, water and juice will be available.

A portion of the proceeds from the event will be donated to the Veterans Airlift Command which provides free air transportation to wounded warriors, veterans and their families for medical and other compassionate purposes. Additionally, a donation will be made to the Honor Flight Network whose purpose is the transport of America's Veterans to Washington, D.C. to visit those memorials dedicated to honor their service and sacrifices.

During the event, as part of the Experimental Aircraft Association's Young Eagle Program, reservations for a free airplane ride for kids from the ages of 7 to 17 can be made. The rides will be given at the Newton City/County Airport on July 3<sup>rd</sup> as part of the annual Chapter 88 Fly-In. The Young Eagle Program provides an introduction to aviation that is educational as well as fun. For further information on Young Eagle Flights contact Steve Carlson at 316-308-2839.
